TRA Product License Agreement Terms and Conditions apply to all products ordered through Telcordia Routing Administration (TRA) and agreed to by authorized signature(s) on the TRA Order Request Form.

1. **License Grant.** Telcordia grants to Licensee¹ a nonexclusive and nontransferable license for use of the product(s) listed on the approved Telcordia TRA Order Request Form completed by Licensee for internal business purposes only. All intellectual property rights, title and interest in all products furnished to Licensee remain in Telcordia. This License does not preclude the execution of additional license agreements with the Licensee for the product(s).
2. **Licensee's Use.** The product(s) may be placed on a Local Area Network, Wide Area Network, Intranet, server, internal web site, mainframe, Operations Support System or other electronic computing platform shared or accessible to employees of Licensee. This license shall further include the right to share or make accessible the product(s) to consultants or contractors who are hired to perform services on behalf of Licensee as long as such consultant or contractor is subject to an agreement requiring confidentiality of the product(s), and which limits the use of the product(s) by the consultant or contractor to providing services to Licensee. Licensee may make a reasonable number of copies of the product(s) provided by Telcordia for licensed use by Licensee.
3. **License Restrictions.** Licensee agrees that:
 - (a.) The product(s) will be made available only to Licensee's employees who have a need to know and who have undertaken confidentiality obligations with the Licensee.
 - (b.) The product(s) may not be made available or copied in whole or in part for the purpose of distribution to third parties.
 - (c.) specific data, in whole or in part, may not be extracted from the product(s) for use in any derivative Licensee product or used to verify and subsequently modify data in any Licensee product which is sold, licensed or otherwise provided to third parties unless Licensee has executed a separately negotiated Special License Agreement with Telcordia.
 - (d.) Licensee shall not reverse engineer, decompile, disassemble, or decode the product(s) and/or product data, or derive any source code or algorithms from the product(s).
 - (e.) Licensee shall hold the product(s) in strict confidence and shall exercise reasonable care to protect the product(s) from disclosure to any unauthorized party.
4. **Telcordia Review.** Upon reasonable written notice to Licensee at a time mutually agreeable to both parties, Telcordia shall have the right to review Licensee's compliance with the terms and conditions of this License "Agreement". If such review reveals a violation of the requirements set forth herein, Telcordia may terminate this Agreement in accordance with Section 11, Termination.
5. **Right to Modify.** Telcordia reserves the right to modify, revise or update products and assumes no responsibility for protecting products against obsolescence.
6. **Fees and Payments.**
 - (a.) The license fees are based on the information provided by Licensee on the Telcordia TRA Price/Order Request Customer Profile Form or derived by Telcordia from public or other sources. Fees are subject to change if this information changes, such changes being reported by Licensee in accordance with the notice requirements set forth in Section 7(b) hereof or as derived by Telcordia from public or other sources. Telcordia shall have the right to increase fees on a periodic basis. Telcordia shall notify Licensee in writing sixty (60) days prior to any fee adjustment.
 - (b.) Licensee shall pay to Telcordia an annual fee for the license granted. The annual fee shall be paid in full within thirty (30) days of the date of the invoice in United States dollars. Alternatively, Licensee may choose to pay monthly or quarterly as indicated on the approved Telcordia TRA Order Request Form. This payment option includes a 3% service charge.

¹Licensee shall mean the entity executing this Agreement and any Affiliates listed on the TRA Price/Order Request Customer Profile Form as such entities existed at the time of execution of this Agreement or as amended by proper written notice to Telcordia in accordance with Section 7 of this Agreement.

- (c.) Licensees located in the United States shall pay or reimburse Telcordia for all sales or use taxes, duties, or levies imposed by any authority, government or government agency (other than those levied on the net income of Telcordia) in connection with this Agreement. If Telcordia is required to collect a tax to be paid by Licensee; Licensee shall pay this tax on demand. If Licensee fails to pay these taxes, duties or levies, Licensee shall pay all reasonable expenses incurred by Telcordia, including reasonable attorney's fees, to collect such taxes, duties or levies.
- (d.) Licensees located outside of the United States shall pay or reimburse Telcordia for all value added taxes, sales or use taxes. When Licensee is Canadian, the taxes to be paid or reimbursed include the following taxes: Goods and Services and Provincial Sales taxes, customs or import duties, or levies imposed by any authority, government or government agency (other than those levied on the net income of Telcordia) in connection with the approved Telcordia Order Request Form. If Telcordia is required to collect a tax to be paid by Licensee, Licensee shall pay this tax on demand. If Licensee fails to pay these taxes, duties or levies, Licensee shall pay all reasonable expenses incurred by Telcordia, including reasonable attorney's fees, to collect such taxes, duties or levies. If Licensee is required to withhold taxes from amounts paid to Telcordia, Licensee shall provide to Telcordia a summary of all amounts withheld during the year no later than ten business days after December 31 of each year, addressed to: Telcordia Technologies, Inc., One Telcordia Drive Piscataway, New Jersey 08854-4157 USA, Attention: Manager, International Collections, RRC-4A1021.

If the amount of the late payment charge exceeds the maximum permitted by law, the charge will be reduced to that maximum amount. In the event that Licensee fails to make timely payments under Section 6.b.of this Agreement, in addition to all other remedies for breach available under this Agreement and applicable law, Telcordia may elect to immediately suspend future shipments of product(s) commencing on the due date until the date overdue payment is received.

9. Limited Warranty and Disclaimer of Warranties.
